MARCH DAYS OUT

Join us for the launch of our 2024 season and our charity day out to Worcester on behalf of Lingen Davies. Sit back in comfort and enjoy the fun and entertainment during the journey, with our drivers and volunteers giving their time for free with all proceeds (including the full ticket price) going to this worthy cause.

Lingen Davies Cancer Fund supports and enhances cancer services for people living in Shropshire, Telford & Wrekin and Mid Wales. As well as funding equipment, projects, resources and facilities for patients in the Lingen Davies Cancer Centre at The Royal Shrewsbury Hospital, the charity works to raise awareness about the signs and symptoms of cancer in the wider community. By advising people what to look out for and seek GP support as early as possible, as well as encouraging greater uptake of cancer screening invitations, we are working towards ensuring more early diagnosis in our community. We cannot eradicate cancer but we can make the situation just a little bit better for those going through it.
